OUR STORY

"Pooka" - from old Irish mythology. A spirit in animal form - always very large. The pooka appears here and there - now and then - to this one and that one. A benign but mischievous creature. In the movie "Harvey," the Pooka of that same name enjoyed spending his days in bars where friendship and good times were the order of the day.

OUR MISSION

We are dedicated to our guests, and strive to treat everyone who walks through our doors with the utmost respect, consideration, and dedication to their needs. For all things hospitality - Harvey's is the place to meet to ensure a great experience.
